Domain Ownership

Give feedback

Your domain will be online soon

It can take anywhere from 15 minutes to 24 hours for domains to start working after DNS changes. Once this happens, your website will be accessible via **kartik.sbs**.

More details

Nameservers

Nameservers handle internet requests for your domain. You can use Hostinger nameservers or use custom nameservers to point to other hosting provider.

ns1.dns-parking.com
ns2.dns-parking.com

Select Nameservers

- Use Hostinger nameservers (recommended)
- Change nameservers
